New Delhi, the 14th May 1960

SUBJECT:—I.T.C. classification of Propelling pencils.

No. 68-ITC(PN)/60.—Propelling pencils have been classified under S. No. 168, Part IV of I.T.C. Schedule at page LXXXVIII of the Index to the I.T.C. Policy Red Book for April—September 1960 period. A question has been raised about the correct I.T.C. classification of propelling pencils plated with gold or silver. The matter has been examined and it is clarified for the information of the trade that propelling pencils plated with gold or silver where the value of gold or silver is more than the value of the other parts of the propelling pencils should be classified under S. No. 260/IV of the I.T.C. Schedule and that the propelling pencils other than those mentioned above may continue to be classified under S. No. 168/Part IV of I.T.C. Schedule.

K. T. SATARAWALA,

Chief Controller of Imports and Exports.
